SOUND HOUSE ONE

comprising:

- RS 15 Sub A bin
- 2x RS 82

Mounting poles optionally available

The Sound House One system serves up substantial and assertive sound in a sensationally easy-to-use package. Boasting a 300-watt power amp, the RS 15 Sub A bin packs a mighty low-end punch. The 2 x 150-watt stereo power amp drives the RS 82 satellites, furnishing

vigorous midrange and glossy high-frequency sheen. The integrated controller assures optimal sound at every volume and protects the system against overload. Sound House One - the definitive system for musicians and mobile DJs.

SOUND HOUSE TWO

comprising:

- RS 15 Sub A bin
- Two RS 122 cabs

Mounting poles optionally available

Like Sound House One, but with RS 122 satellites for even better low

midrange response and punchier sound.
